

God speaks to America

a message to the church in America

“I AM NOT DONE WITH YOU”

Justus and Jemimah Musyoka

We are ministers from Kenya and were born to and raised by spiritual children of US missionaries. We were also trained for ministry by American missionaries. We live in Toledo, Ohio, serving as missionaries to the American Church, hosted by The Church in Toledo_Westside Community.

God's Church in America: Hear What the Lord Says to You!

We are fruit of your own Missionaries to Kenya. What is God, without a word and beyond a reasonable doubt, telling you by sending back to you your own spiritual children and fruit from the mission field?

“I AM NOT DONE WITH YOU, YET”!

Background and Ministry

We both were born and raised in Kenya and came to know the Lord at the ages of 17. The Lord called us to the ministry while we were teenagers. On December 18, 1976, we got married and have served Him together since. The Lord has blessed us with two daughters two sons, a daughter-in-law, a son-in-law, and three grandchildren and further blessed us by saving them. They all are born again and serving Him.

In October 1999, we founded the Eternal Life Church International. In the middle of 2007 the Lord spoke to us very clearly to hand over the oversight of this ministry to our son, John Wesley. We obeyed the Lord and did so. Soon afterwards, the Lord said to us, “Go to America, I have work there for you to do for me.”

American Spiritual Heritage

We are very overwhelmed by God's wisdom, plans, and grace through Him sending us as missionaries to the land of America. This is because the Lord greatly used missionaries from this country to prepare both of us for the ministry. We were both born and raised in a Church that had been founded by American missionaries and Justus' maternal grandfather and Jemimah's late dad were both pastors in this Church, trained and mentored by missionaries from the US.

Later American missionaries also trained both of us for ministry. We have been mentored by, lived closely with, and served the Lord alongside American missionaries to our country for a combined period of almost 15 years.

Missionary Call to America

In the middle of 2007 the Lord directed us to come to the United States to serve Him here. We have since served Him as missionaries to the Church in America. The Lord has laid in our hearts the burden for the revival, renewal, and restoration of His Church in America.

We are encouraging the Church in the land of our spiritual parents to rise up, shun its complacency, claim its heritage, seek spiritual renewal and restoration, and ensure its continuity to the next generation. The American Church must labor to fulfill the Great Commission as she prepares herself, along with the rest of the Body of Christ, for the triumphal and imminent return of our Lord and King, Jesus Christ.

"HE WHO RECEIVES A PROPHET ... in the name of a prophet shall receive a prophet's reward." (Matthew 10:41)
